

Gayatri Mantra

Come let's walk together in eternal time
To the edge of the world, let go and fly
We are energy moving to the light
Where there's no separation, only one, you and I

Let's get together now
Let's get together now

Om bhur Bhuvah svah
Tat savitur varenyam
Bhargo devasya dhimahi
Dhiyo yo nah prachodayat

Come let's dance together on the other side
Where we're never born, where we never die
We are energy universal light
With one destination to the one divine

Let's get together now
Let's get together now

Om bhur Bhuvah svah
Tat savitur varenyam
Bhargo devasya dhimahi
Dhiyo yo nah prachodayat

Shine your light on me
In the darkness
Shine your light on me
In the darkness
Shri guru sharanam
Shri guru sharanam

Let's get together now
Let's get together now

Om bhur Bhuvah svah
Tat savitur varenyam
Bhargo devasya dhimahi

Kinder

I've decided to be happy
I've decided to be glad
I've decided to be grateful for all I ever had
I've decided to let go of all this pain tonight
I've decided to let go of all these demons inside

I know I am blessed
I know all I ever wanted was this
I know I don't need more
I've got what I came for

I've decided to be open to that little voice inside
Telling me I am beautiful it's ok to be alive
I've decided to be kinder to myself when I feel sad
I've decided to be grateful for all I ever had

I know I am blessed
I know all I ever wanted was this
I know I don't need more
I've got what I came for

The Unchanging

Sthira sukham asanam, Sthira sukham asanam
(The connection to the earth should be steady and joyful)

Far away in a distant past in another time
All the words here that were spoken live in me now
These feelings blow around me I fear that I could fall
Blinded by the light of yesterday

On this path I can see
What hides behind the mystery
Each step I take, a passing dream, destiny
Lord you live in me as the unchanging

In the light I hear a calling of what was and what will be
In the cry of two souls yearning to know they're one
I don't walk this path alone, everything is changing
Beneath the stillness of the sky, I take your hand

On this path I can see
What hides behind the mystery
Each step I take, a passing dream, destiny
Lord you live in me as the unchanging

Sthira sukham asanam...

On this path I can see
This red rock beneath our feet
Each step I take, destiny

Life is but a dream

Sthira sukham asanam

Praying For Love

Everybody needs a hand to hold
To keep them warm at night to take away the cold
Everybody needs a good night kiss
It's the one great thing that we can't resist
Oh, I'm singing, I'm celebrating
Oh, I'll be right here praying

Praying for love to take my tears
Gonna take my fears and throw them all away
Praying for love on this holy night
If we look real hard I know we'll see the light

While the world is spinning on it's side
We can stay right here and keep our dreams alive
Take the time to hear the beating of the drums
Hear the voice that's calling out for everyone
Oh, I'm dancing, I'm celebrating
Oh, I'm singing this song and I'm praying

Praying for love to get here soon
Take me in it's arms under a yellow moon
Praying for love to bring me wings
And to let me fly up where the angels sing
Praying for love (up where the angels sing)
Praying for love (up where the angels sing)

Radhe radhe radhe
Radhe are you out there
I thought I heard you whispering his name
Radhe radhe radhe, shyam radhe radhe
I'll walk into the flame
Cause I'm

Praying for love to take my tears
Gonna take my fears and throw them all away
Praying for love on this holy night
If we look real hard I know we'll see the light
Praying for love to get here soon
Take me in it's arms under a yellow moon
Praying for love to bring me wings
And to let me fly up where the angels sing
Praying for love (up where the angels sing)
Praying for love (up where the angels sing)

Can you hear me now, I'm praying for love

Take our tears away, we're praying for love

Praying for love

Up where the angels sing

Amazing Grace

Amazing Grace, how sweet the sound,
That saved a soul like me.
I once was lost but now I am found,
I was blind, but now I can see

Amazing grace, Amazing grace
I was blind but now I see

T'was Grace that taught my heart to sing
And Grace, my fears relieved
How precious did that Grace finally appear
The hour I first believed, now I believe

Amazing grace, Amazing grace
I was blind but now I see in your arms I am free
Amazing grace, Amazing grace
I was bound but now I'm free

Shree Guru Sharanam Shree Hari Sharanam

Amazing grace, Amazing grace
I was blind but now I see in your arms I am free
Amazing grace, Amazing grace
I was blind but now I can see
I was so bound but now I'm free
Amazing
